invites you to join us:

## Anita Borg Birthday Celebration

In NYC!

# “Girls Talk Tech”

Anita Borg (1949-2003) was a computer scientist who advocated for women in the tech community. Continuing her legacy, our mission is to increase the number of women in technology careers. Join us for an evening of conversation with other students, faculty, and professionals, and learn about what it's really like to pursue a career in tech!

01/29

NYU School of Engineering  
6 Metrotech, Brooklyn  
5:00pm-7:00pm

**Who can come?** High school students and college freshmen and sophomores who want to learn more about life as a female engineer

**What's on the program?** Enjoy sandwiches while we hear from a panel of women engineers and computer scientists. Plus, have fun socializing with other women and girls who like tech!
